

# Tim's visit to Holsworthy School

## Dharma

I really enjoyed it and I hope you can arrange many more visits as it is really interesting to learn about their lives first hand.

My favourite part of Tim's visit was when he told us about his trip to North England to hand out prizes to the seven year olds. It was hilarious and I laughed when he explained what happened with the bottle of fizzy water!

I also enjoyed it when Tim read the first chapters of his books [Buried Thunder](#) and [Blade](#) - Book 1. Now I am confused as I have no idea which one to read first!

## Lucy

He really inspired me to write and read more. I am reading [River Boy](#) which I am really enjoying . Tim is passionate about his job which I really like. Tim Bowler was great.

## Libby

It was lots of fun and really interesting. When I started reading his book Star Seeker I couldn't stop reading it! His writing is really tense and I loved it! It was amazing meeting a real author.

## Caitlin

I enjoyed listening to him talk about where he gets his inspiration from and his funny stories. I particularly liked his advice to follow your dreams. I am reading a book of his called [Starseeker](#) at the moment and he very kindly signed it for me which I was pleased about. It was nice to meet a real author.

## Drew

It was a lot of fun having him read to us and him telling about himself. It was interesting learning about what he uses to write his amazing books.

## Josh

He is very funny and writes some very interesting books.

## Lauren

It was highly amusing, inspiring and moving. The readings he did for me got me really hooked and interested. He clearly feels something when he writes and has a passion for it and seeing him has made me realise you shouldn't worry if it isn't the popular or coolest career, just go for it. I enjoy writing and would like to write a book or two, he really has inspired me.
